Swingline

NZ's most popular awning system, the Swingline is our standard product and provides great value for money. It is designed to give maximum shade over outdoor areas whilst providing full headroom.

Interest free and no repayments for 6 months.

- » Cool Awnings custom-make awnings to fit your home or business.
- » Our awnings are installed by our trade qualified builder and experienced awning installation team.
- » Cool Awnings retractable awnings have a 5 year warranty on fabric and hardware.
- » Retractable awnings provide great shade out on the deck and for the inside of your home – keep it cool in summer and prevent fading of your valuable furnishings.
- » Retractable awnings retract or extend via a motor or crank.
- » Retractable awnings can be either wall-mounted, soffit-mounted (under roof eave) or attached via custom-made brackets for extra height.
- » Retractable awnings come in a range of styles, fabrics and colours.
- » Maximum extension 3m. Maximum width 6m.
- » Hardware is available in white or grey and is custom made in New Zealand from quality European components.

Lo-Line - Adjustable arm pitch

The Lo-Line is made from the Swingline awning, with the addition of adjustable arm fittings allowing you to control the angle of your awning relative to the sun. The Lo-line gives flexibility in situations where you may not have enough height on your building.

RETRACTABLE AWNINGS

www.coolawnings.co.nz

"We found Cool Awnings provided a great all round job with fast service, good measure up and they even came back to recheck it after the job was completed. We are very happy – we got exactly what we want"

- Bill Gulik, Auckland

Topline—Premium Range

The Topline awning is part of our premium range and is considered to be one of the best retractable awnings in the world. The outstanding quality of the components and the excellent design underscore the character of this premium awning. We import the components from Europe and assemble in NZ. Maximum extension 4m.

Hi-Line – Higher Wind Model

The Hi-Line awning is made from Topline components with the addition of a centre beam. Heavy-duty arms and unique bent roof design eliminate cloth sag and gives extra stability in higher wind conditions.

The Hi-line gives the added benefits of additional headroom and fits well over bifold doors.

Maximum extension 4m.

Cool Awnings also provide:

- Shade sails
- Drop Curtains
- Fixed awnings
- Insect screens
- Secondary glazing
