

READY-MADE SHADE SAILS

KOOL SERIES

NEW
IMPROVED
DESIGN

KOOL SERIES MEDIUM DUTY

Kool Series shade sails are designed and fabricated to last, ensuring your return on investment is maximised.

The new improved 2015 design has simply taken the components and methodology of the Custom Series Webbing Edge style and scaled it down to medium weight materials such as 40mm stainless steel D-Rings instead of 50mm and 40mm webbing instead of 50mm. There is no compromise in the quality and the strength of these sails is still more than adequate for the standard set sizes we offer in this range. Designed and manufactured in New Zealand, these shade sails are perfect for the discerning DIY enthusiast.

PTFE SEWING THREAD

Our PTFE sewing thread is guaranteed to last for the life of the fabric, and it maintains the strength of the seam even under the harshest outdoor conditions. It does not deteriorate, burst or break, despite years of exposure to weather and extreme temperatures.

- Designed for easy installation.
- High (90%) UV block and high shade factor.
- 10 year warranty.
- Complete shade sail package with instructions, ready to add hardware and install.

SIZE (M)	3.0 x 3.7	3.0 x 4.3	3.7 x 4.3	3.7 x 4.9	3.7 x 5.5
PRICE					

NOTE 1: These measurements are taken from the shackle at each corner, they do not include tensioners or fixings. These measurements are the size of the shade sail before it is stretched out or tensioned. For best results we recommend that a turnbuckle tensioner is used at every corner of the shade sail.

NOTE 2: Hardware not included.
